THE ADMINISTRATORS OF PROVIDENCE HIGH SCHOOL

1st Principal and foundress of PHS above was Sr. Maria Theresa. She served from 1955 to 1961. Now known as Sr. Mary Gleason, she lives in Seattle, WA where she is provincial secretary.

Sister Agnes ably conducted PHS from 1961 to 1964. Sister is now known as S. Ellen Gallagher and is English department chairwoman at PHS. She also taught in Seattle, Fairbanks and Yakima.

For 12 years the principal's office was home for Sr. Rebecca Berghoff (below) during 1964 to 1976. Sister is now an elementary school principal in Yakima, WA.

After serving at Providence for 10 years as teacher and V. Principal, Sr. Kathryn Kurtz became principal in 1976. Earlier known as Sr. Janice, she taught social studies and was curriculum director in the early 70's.

In the late '60's, Sr. Rebecca was busy planting, but what grew was not a money tree, (middle). A new classroom and administration building grew. (below)

(Top) In the mid '70's BASH (Building a Scholastic Heritage) began as a major fundraiser as a dinner-auction. Mr. and Mrs. Sarquiz enjoy themselves.

This building now houses offices, art room, chapel-and 6 classrooms (below). According to legend, the money (middle) is still buried under Mr. Berntson's office.

GAA

GAA stands for "Girls Athletic Association." The majority of its members are girl athletes but the club does not limit itself to just that. This year GAA has been active in many different types of activities. A Food Drive was sponsored to provide food for the needy, in which GAA took great part by donating proceeds from the faculty-varsity volleyball game. GAA held rr volleyball intermurals in which at least 1/3 of the school participated. In January the club held a backgammon and a chess tournament that was open to all grades. GAA celebrated their 25 th Anniversary this year by purchasing blouse tops to express their spirit to the school. Thank you to GAA for being such an active club.

C.S.F. Officers

The California Scholarship Federation is based on scholarships. Its purpose is to honor those students with high academic standing, and to provide service for the school through various activities such as tutoring. The CSF Club sponsors the annual IQ Bowl held at Providence; and this year it also sponsored a visit to Disneyland and a trip to see "Evita".

This year a special awards ceremony was held in honor of those students in the CSF Club.

DANCE CLUB

The Dance Club is a new club at P.H.S. this year. It raises money through Bake sales, salad and pizza sales, in order to promote their dance marathon. This club also enjoys a Hawaiian Luau at the end of the year.

DRAMA CLUB

The members of the Drama Club are quite proud of the many events which are presented during the school year. The Club sponsors two dances, three parties, and five theatrical productions. They also present the Awards Banquet. In all these activities, good times are had by everyone. Members contribute many hours of hard work so that the Drama Club may do justice to its motto: LUEY.

SKI CLUB

The Ski Club will enjoy a "heavenly" trip to Tahoe. The skiing always is "out of this world" and new friends make it even more special. In the future there will be more opportunities for ski trips.

-Sr. Joel (Ski Club Moderator)

VISTA

Vista, the school newspaper, is written for the purpose of keeping the students informed of activities within school and important issues of today. In addition, it contains reviews of movies, concerts and albums. Ms. Anderson is the moderator of this talented group of "reporters".

Notice all and everything,
for what you think is a flower,
might be a weed, and is worth nothing
it might make life nothing but a long march to the grave.

Facing graduation

Faces of old and faces of new
people we know and people we knew
growing together, then drifting apart
always ending and then a new start.
At graduation we all grow nearer.
And all our friends seem so much dearer.
And as we say our final good- byes
our last embrace and one more cry
"A keep in touch" and a
"Promise I will,"
a "Remember when"
and better still
"A place in my heart you'll
always stay."
This is said as we go our
own way.

SISTERS OF PROVIDENCE

SERVING IN THE WEST SINCE 1856

The next three pages represent a dedication to the Sisters of Providence who own and operate Providence High School. These Catholic women have been together for well over 150 years and on the west coast since 1856. They arrived in "the valley" in the early 1940's to begin their varied apostolates.

As mentioned elsewhere in this book, the Sisters were founded by Mother E. Gamelin (below) in Canada. They were brought to the Northwest by Mother Joseph (above) in the mid 1800's. They were then known as the Sisters of Charity of Providence. Their mission was in caring for the ill and educating the needy. Today they continue this mission, however in a broad sense . . . where ever there are needy. Since the time of Mother Joseph in Washington State, the Sisters have been moving forward with pride. The Sacred Heart province of the Sisters consists of the west coast states. The photos on the following pages represent the various images the Sisters have shown over the years in the province. All the photos are of Sisters who have been or are now associated with Providence HS. Until 1967 the Sisters wore the traditional uniform dress that was unique to only the Sisters of Providence. To

change with society and the Sisters role in ministry, their appearance began to change as shown on p. 149. Within this dedication, it must be noted that, while the Sisters maintained their spirit of generosity and service in the Christian community during the many changes in the Roman Catholic Church (during the 1960's), the Sisters ably and most successfully were able to make the transition to the benefit of all whom they dealt with in their work. This is a tribute, because the Sisters are ALIVE, respected, thoroughly professional and most fundamentally, a genuine religious manifestation of the spirit of Jesus Christ.

The above pictures represent the changes in the image of the Sisters from the longtime traditional church habits, as once were seen in the halls of PHS to the modern day professional garb worn today. The Sisters are now free to use their baptismal names if they chose to do so. The Sisters spirit has not changed.

The goal consistently maintained by the Sisters of Providence has been to reach out to those in society whose needs are not being met by others. As educators their objective is "to continue in the world today, the liberating action of Jesus Christ, teacher." The Sisters community today has 2700 members in the USA, Haiti, Egypt, Canada, Africa, Argentina and Chile. In the US they are found in: Washington, Oregon, Alaska, California, Idaho, Montana, Vermont, Illinois and New Jersey.
